

SELF-PAY RATES FOR CUMBERLAND HEIGHTS TREATMENT PROGRAMS

Our treatment programs costs depend on the length of stay and the level of care needed. Our self-pay option allows patients to manage costs directly without going through insurance. We offer transparent fee structures and can work with families to discuss financial arrangements or payment schedules, ensuring that the focus remains on what truly matters—long-lasting recovery.

Please note these figures reflect self-pay rates only. If you have questions about self-pay or any other payment method, our admissions team is here to help guide you through the process and can be reached at the contact information below.
